Health Promoting Schools:

As a member of the health promoting schools programme our kura supports the SUN Smart initiative and Healthy Lunches.

This means that recommended head wear is to be worn by all students and staff when outdoors this term, and a healthy choice of food be supplied for lunches.

Fruit in schools will continue this year which allows each student to receive at least 2 pieces of fruit a day.

Road Safety

The new school car park is definitely under way and is due to be completed by the end of the term. Road Patrol began this week to monitor driver and student safety awareness. At this stage the crossing is further up the hill because of path restrictions caused by the developers.

Drivers are asked to PLEASE NOT use the staff car park to pick up students. THIS IS UNSAFE FOR EVERYONE.

I don't want to get mean but number plates will be forwarded to the Police if drivers do not take care in this area. Whaea Missy.

Congratulations to Rayna and Rehua who were part of the Te Toki Midget Boys Waka Ama Team that won 2 Gold and 1 silver in the National Waka Ama Competition at Lake Karapiro 2 weeks ago.
